DIRECTIONS

Using smaller circular needle (size 5 or 6) CO 88 stitches. Place marker for beginning of the round (BOR). Join for working in the round, being careful not to twist.

Note: If you have a larger head or would like a bigger hat circumference, you can cast on 92 stitches or 96 stitches instead, or any multiple of 4.

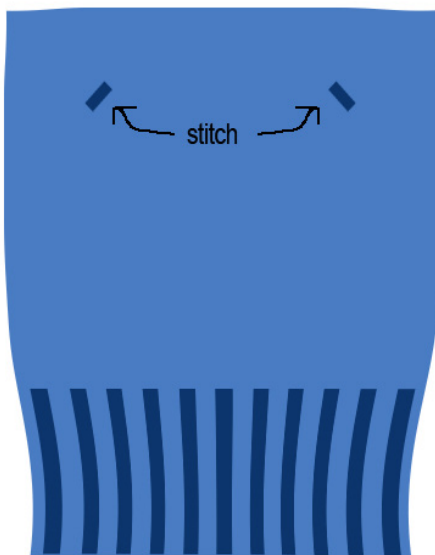

Rib: Knit in rib (k2, p2) until piece measures 3 inches from cast on edge. Stop at the BOR marker.

Knit Body: Knit in stockinette until the hat measures 8.25 inches or the height you desire, stopping at the BOR marker.

Bind Off: Turn your hat inside out. With the wrong side (purl side) on the outside, bind off using 3-needle bind off. This puts the row of bind off stitches on the inside of your hat.

Finishing: Using a tapestry needle, weave in all your ends.

Turn the hat right-side out. Stitch down each ear in the middle with a small piece of yarn about 1.5 inches from the sides. Use a tapestry needle to pull the tails to the inside of the hat. Weave in ends or tie ends together and cut fairly short.

This adorable hat knits up quickly and is surprisingly easy. Skills required: knit, purl, 3-needle bind off, and knitting in the round.
